

ASHRIDGE CAPITAL MAKES FOLLOW-ON INVESTMENT IN ARK HOME HEALTHCARE

Ashridge Capital, Core Capital and Boparan have invested £1.2m in Ark Home Healthcare to provide funding for organic growth and further acquisitions. Ark has established a strong pipeline of potential acquisitions, with a focus on businesses in complementary geographies.

Ark is a leading provider of homecare for elderly and those with complex needs and is headquartered in Sheffield. Ashridge Capital and Core Capital initially invested in 2010, since when it has grown significantly through organic growth and acquisitions to form one of the UK's largest homecare providers.
